Joker

by **Alexis Noelle**

BOOK DESCRIPTION

I ran from one dangerous man... straight into one even worse.

I ran to survive.

I didn't expect to find a man like him waiting at the end of it.

Joker is everything I should fear, dangerous, ruthless, built from violence and loyalty that runs deeper than blood. The kind of man who doesn't save people...he destroys what threatens them.

And somehow, he's decided I'm his to protect.

But the past I ran from isn't done with me yet.

It's watching.

Waiting.

Closing in.

Because men like my husband don't lose.

They hunt.

And now the only thing standing between me and the life I finally started to believe in…

is a man who looks like chaos and fights like war.

The problem?

I’m starting to realize the safest place I’ve ever been…

is in the arms of the most dangerous man I’ve ever known.

Joker is a standalone HEA in the Deathstalkers MC 2nd Generation Series. This book can be read as a standalone or enjoyed with the other books in the series.
