CHAOS
A DARK MM ROMANCE
ROAN SOLANO

His Holy Chaos

by **Roan Solano**

BOOK DESCRIPTION

Jude Piaf has a talent for self-destruction. A year after his last dynamic ended and took everything with it — his community, his joy, his appetite for living — he's still picking up the pieces. He swore off kink. He swore off Daddies. He swore off feeling anything that could be taken away.

Then Ford Ridden walks into BratWorld in a button-down shirt and ruins everything.

Ford is fifty-three, composed, and certain of exactly one thing: he does not do brats. He has a daughter to raise, a choir to direct, and a life built on structure and discipline. He has no room for chaos.

Jude is chaos.

But somewhere between a church choir, a kneeling cushion, and a vestry floor, Ford stops running from what he wants — and Jude starts believing he deserves it.

* No depiction of religion.

His Holy Chaos is a slow-burn MM Daddy/boy romance

featuring an age gap, domestic discipline, explicit scenes, and a love story about learning that devotion isn't weakness. It's everything.

You can read the series in any order! Books aren't related to each other, they only have the same trope: a stern Daddy and a delightful bratty boy.
