BOOK DESCRIPTION

I didn’t ride into Tampa looking for love. I came chasing blood ties and a truth my mother took to her grave.

I found brothers I never knew I had. A crew that doesn’t just ride, they bleed together. And somehow, I ended up in the middle of all of it. The new mechanic on the Speed Demons’ roster. The girl with too many secrets and a heart that doesn’t know how to stay still.

We’re headed to Ireland for the biggest race of our lives. But this trip? it changes everything. The lines between love, lust, and loyalty blur. What started as flirtation becomes obsession. What felt like chaos becomes home.
