BOOK DESCRIPTION

Wishes Come True When They Are Meant To

BRENT

Nothing ever prepares you for being a single father. I am struggling. Struggling to stay on top of things. Struggling to move on. Struggling to be a citizen of this small-town we just moved to, hoping it would make things easier. It's taking everything I have to keep it together and make sure we all survive by the end of every day.

But it's the holiday season. Time for happy memories, make wishes with our Christmas Wish Candle and hope that magic makes them come true. We all get one secret wish.

My wish came out of nowhere. Someone I didn't ever see coming, who sparkles like a star on top of a Christmas tree and makes me feel like I never have before. He pulls us out of the dark and into the light of the town where he creates magic.

ZALE

I like to believe that most people like me, but honestly most hate to see me coming. It means someone has experienced a nightmare. But I'm used to nightmares. I was raised in a nightmare. It's why I became a paramedic, so I could try to make nightmares into miracles. I may bend the rules and use my imagination, but it works.

But for once, there was someone I didn't see coming. A hot daddy. Not that kind of daddy. He has kids. And even though they are a mess, they are everything. I have never connected with anyone like this before, where I felt drawn to care for them.

When one of them gets hurt, it moved me in ways that told me I was already a goner for them all. I just wish they let me be who they need, because I need them just as much to keep the nightmares away that have continued to haunt me during this time of year.

Our Christmas Wish is a Duel POV, MM Holiday Romance, set in a small-town with big vibes and dense gossip. It is a story of even being at your lowest, a simple wish during the most magical time of the year can change the course of your life. It's about finding that sparkle that lights you up, and holding on to it, even in dramatic moments. You can expect Real Life Situations & Emotions, Outrageous 911 Calls, Christmas Magic & Miracles, Humorous Ensemble &

Kids, Tension, and a little bit of Danger. Let's not forget a Happily Ever After.
