BOOK DESCRIPTION

“Ye fight me now, but soon enough, wife, ye’ll crave obeying me.”

Scarlett never wanted to marry Laird Crawford.

Yet on their wedding night, he leaves...without claiming her.

Now, she’s free...but the memory of his almost touch still burns.

She hopes she never sees him again.

Until she finds a baby on her doorstep.

And Scarlett knows one thing—she won’t raise the bairn alone.

***

No one dares command Laird Kian.

Yet when Scarlett demands his return, he knows he must teach her a lesson.

Obedience. Discipline. Submission.

Only, he never expects the chaos that awaits him…

A defiant bride…with an abandoned babe in her embrace.

And now, he will have order once more.

Starting with his alluring wife.
