Vow of Hate

by **Ivy Davis**

BOOK DESCRIPTION

He was supposed to marry me.

Instead, he kidnapped me.

Dante Zaneli is a crazy mafia man who doesn't like to play by anyone's rules.

And he has set his sights on me.

He takes from my home and brings me into a world of darkness.

I was taught to be a good mafia girl.

To wait for marriage.

But Dante refuses to marry me and make peace with my family.

Now I'm torn between wanting to hate the man who kidnapped me.

And wanting to love the man who has awoken the woman in me.

Dante might kill everyone I love.

How can I even consider having feelings for a monster like him?

I’m not sure.

All I do know is:

If I don’t figure it out, I could die by the hands of the man I love.
