BOOK DESCRIPTION

Leonardo Vitale’s life changes with one middle of the night phone call. The sinfully handsome, impossibly disciplined Sicilian hotel tycoon never expected to hear the name Rose Steele again.

Leonardo does not let emotions dictate his decisions. Three years ago he told Rose he never wanted marriage or children.

She walked away from their sizzling, passion-filled Neapolitan nights.

She didn’t look back.

She took her secret back to Texas.

Now, an injured Rose wakes to find the man who once broke her heart sitting by her hospital bed.

Leonardo is wealthier and more powerful than ever. Intent on claiming a place in his daughter’s life, he insists Rose recuperate at his villa in Sicily.

As old wounds reopen and new truths come to light, can she be near a Mediterranean man like Leonardo Vitale and ignore the memories of their heated nights?

The Tycoon’s Secret Child is part of The Mediterranean Men Collection.

A high-heat standalone romance with a powerful billionaire, a secret child and a second chance at forever.
