Secret Obsession

by **Kylie Bell**

BOOK DESCRIPTION

I've had a massive crush on my brother's best friend for years, but he's only ever seen me as an annoying kid sister. Unfortunately, with my brother overseas, Jackson is the only one I can turn to when my estranged mother shows up, trying to make trouble.

He might want to pretend he's just doing my brother a favor, but I'm a grown woman and I'm going to make him notice me. Especially since he insists that I live with him until the danger passes.

This is a steamy short story with a guaranteed HEA. Inside, you can expect: Older brother's best friend/best friend's little sister, only one bed, a working-class hero with a delicious dadbod who adores his plus-sized heroine, and so much pining.
