BOOK DESCRIPTION

PATRICK

Our life together is a masterpiece of stability. We have the airy loft, the Pinterest-worthy routine, and a relationship so smooth it's basically on mute. It's perfect. It's domestic. And it's making me want to claw my eyes out. I'm haunted by the ghost of who we used to be when we first met. I love Ricardo, and I don't want to lose him. I can't. So what do I do? I introduce some light BDSM into the mix. I think I've finally figured it all out, until Ricardo says the safeword. I don't even deserve him, and I'm absolutely wrecked over what I've done.

RICARDO

I thought we had finally made it. I traded the ice-queen glares from the gorgeous man behind the coffee bar for morning kisses. No more fighting, just peace. Then Patrick is looking at me with that old, dangerous spark in his eyes again. He's asking for something in the bedroom I never thought he'd want. But when the safeword finally comes out, I'm left feeling like I can't live up to his standards. Most

men would probably walk away from the challenge, but me? My boyfriend is about to find out I'm willing to do whatever it takes to keep him happy. And yeah, it still involves the handcuffs.
