Little Music of Night (MMF Monster Romance)

by **Clio Evans**

BOOK DESCRIPTION

Creatures of all kinds go to the Barista to find love, including the two cursed phantoms, Erik and Ray.

Erik and Ray already know their mate. They've been watching her, stalking her, and yearning for her night after night. There's just one problem—Christy cannot see the phantoms who haunt her dreams.

Christy is ready to give love a shot. But when she's ghosted on her first date, she leaves Creature Cafe furious. Little does she know, her two phantoms are in agony, waiting for the moment she can finally see them.

Will Erik, Christy, and Ray finally break the curse that's holding them back?

This novella has the following:
