BOOK DESCRIPTION

Home Smarts Made Simple by Jordan F. Ghanma is a colorful, illustrated guide to making everyday life easier. Across 36 practical chapters, it explores kitchen shortcuts, cleaning and laundry solutions, minor household repairs, everyday comfort and care, and ways to save time, money, and space.

From rescuing an overly salty dinner and removing stubborn stains to organizing a pantry and fixing a wobbly table, this approachable book offers clear explanations and useful tips. It also examines popular household hacks, separating helpful ideas from misleading claims and explaining when professional help is the better choice. Handy checklists and quick-reference pages make it easy to find guidance when you need it.
