His Good Girl

by **Sara Fields**

BOOK DESCRIPTION

First he called me his good girl. Then he bent me over his desk.

Even before Callum Rowe tore off my skirt and spanked my bare ass red with his belt right there in his office, I already knew how desperately, devastatingly hard I was about to come for him.

I knew the moment he pinned me to the wall and kissed me.

Because the ruthlessly sexy billionaire about to claim me in the most brutally shameful way possible while I buck and writhe and scream out his name isn't just my boss.

He's my godfather.

Publisher's Note: His Good Girl is a standalone romance that includes spankings, rough, intense sexual scenes, and strong D/s themes. If such material offends you, please don't buy this book.
