Another Night With Me

by **Ni’ssan**

BOOK DESCRIPTION

Yanna Joseph wanted a fresh start, not Niko Freeman.

What was supposed to be one night stand turned into several unforgettable days and a connection neither of them could shake. But reality forced them apart, leaving Yanna determined to forget him and Niko questioning everything, including his relationship with Maddie, his longtime girlfriend.

When life brings them face-to-face again, Yanna is carrying a secret that changes everything. Now, with a bitter ex refusing to let go, enemies threatening everything Niko and his brothers have built, and family secrets coming to light, their unexpected love is about to be tested. One night wasn’t enough…but will love be?
