A LAKE CITY NOVELLA

IVY HAWK

Knot Running Now

by **Ivy Hawk**

BOOK DESCRIPTION

Question 1: What's your middle name?

Take a tequila shot, or four.

Question 5: Have you ever been bowling?

That's just silly... No, of course not.

Question 7: Where is the most public place you've had sex?

Take another shot, admit to a terrible sex life.

Question 13: Have you ever fudgedd yourself in front of your three Alphas and your Beta?

Surprise, surprise... We never got to the twentieth question.

I guess who can blame me when my scent match shows up out of nowhere with his pack - who also are my scent matches - and they can make sure I never have to run again.
