BOOK DESCRIPTION

Five steamy hockey romances in one binge-worthy box set—welcome to the Boston Blades, where the men play hard but fall even harder.

Power Play

Age Gap • Grumpy x Sunshine • Hockey Player x Journalist

Duke Harrison is the league's most reclusive goalie.

But when I'm assigned the impossible task of interviewing him, I discover that the man behind the mask is dangerously good at making me forget every question I came to ask.

Sin Bin

Second Chance • Enemies to Lovers • Forbidden

Bad boy hockey player Andre Beaumont is on thin ice.

And I'm the PR agent hired to fix his reputation—again. Last time, I lost my job and he got traded. This time, I'm not letting him anywhere near my heart.

Hat Trick

He Falls First • Black Cat x Golden Retriever • She Grovels

I have a reputation for being an ice queen.

Too bad hockey's golden boy never got the memo. But when Marshall Hunt finally stops chasing me, I realize I can't let him go. Now it's my turn to win him over—and prove I'm all in.

Body Check

Second Chance • Mutual Pining • Forced Proximity

I've tried to move on from Jackson Carter.

Instead, the Blades' stoic captain gets me a job with the team. Now I'm traveling with my ex-husband...and trying to forget how it felt to be loved by him.

Slap Shot

Friends to Lovers • Marriage of Convenience • Yearning

Overnight, I become hockey's number one enemy.

Weston Cain is my best friend, my dad's star player, and the man I've secretly loved for years. He should stay far away from me and save his reputation. Instead, he offers to make

me his wife.
