BOOK DESCRIPTION

Three years I've wanted her.

One job I can't screw up.

One secret that could destroy my brotherhood.

Raven's the strongest woman I know—she survived hell, rebuilt her life, and now spends her days helping other survivors.

She's also my best friend's sister. Completely off-limits.

The one woman I can never have.

Until a Russian trafficking ring comes for her... and the club orders me to protect her 24/7.

Safe house. Forced proximity.

And all that heat we've been ignoring for years?

Nowhere to hide from it now.

When she ends up pregnant with my kid, I should come clean.

Tell Falcon the truth. Do the right thing.

But I’ve never been good at doing what I should.

She’s mine. The baby’s mine.

And the psychotic oligarch hunting her?

He’s about to learn that taking what belongs to a Steel Demon is the last mistake he’ll ever make.

"Hades" is the 16th installment in the gripping "Steel Demons MC" series. Get ready for rugged bikers, forbidden desires, and irresistible allure.

While each book in the series offers a standalone happily ever after for the couple, it's recommended to read them in order for maximum enjoyment.
