BOOK DESCRIPTION

From bestselling author Jennifer Chipman comes the fourth installment of the Witches of Pleasant Grove series, featuring a witch and a vampire who can't stand each other but are forced together when they find out they're fated mates.

My mate is a vampire... and I’m rejecting our bond.

Ezra is insufferable, the vampire somehow always knowing exactly what to say or do to get under my skin. As a witch, something about his aura has me constantly on edge.

When a paranormal attack on Pleasant Grove leaves him injured, I don’t hesitate to give him my blood. What was supposed to heal him ended up tying us together, since it turns out I’m his fated mate.

Now, we’ll be stuck together for the rest of eternity unless we can find a way to break the bond.

But every night we spend looking for a way out, the more I realize that there’s nothing I wouldn’t do for the mate I

rejected—even if it means becoming eternally his.
