Venom Within Her

by **Cirrus Rae**

BOOK DESCRIPTION

“As much as I ached to devour her, I needed to savor the moment she decided to let the monster in.”

Ilona came to Cutwood to escape control, but one encounter with Larz, a mysterious, tattooed, split-tongued scorpion-shifter woman forces her to face an impossible decision she never thought she would have to make: surrender to a claiming that binds her forever, or risk losing the only love strong enough to fight the shadows of her past.

This story contains mature content and isintended for readers 18+.For a full list of trigger and content warnings, please see the opening pages of the book.

Great for readers who love:

• feral, possessive monster FMCs

• fated mates

• claiming rituals
